

Biology Honors Application

Email form, scanned, to Arri Eisen, Biology Honors Coordinator, by Sep 1 of the fall semester you are to start your research. Note: *This form requires three signatures.*

1. Student name (printed) _____

2. Honors student: *in signing here I confirm that all information on this form is correct and that I have read the [Biology Honors Requirements](#).*

Signature _____

Date _____

3. **Academic year** in which you will be doing honors (this must be your last two semesters at Emory prior to graduating)

4. GPA

•For Honors, the Biology Department requires a 3.5 Biology GPA by the end of the last academic year before you begin honors (calculated using all courses taken required for biology degree (if taken extra courses, use highest grade), including up to 8 hours of Bio499 and not including Bio497).

•The College requires a 3.5 overall GPA (calculated from all—and only—courses taken at Emory/Oxford) by the end of the last academic year before you begin honors.

•Appeals must be forwarded to the Biology Honors Coordinator and College Honors Coordinator by August 25.

Biology GPA _____

Overall GPA _____

Please confirm these numbers with Barbara Shannon in Rollins Research Center, Room 2006, so she can sign here
